

TOTMON D3 MEDICAL, D3 & D3 LITE

	<u>TOTMON D3 MEDICAL</u>	<u>TOTMON D3</u>	<u>TOTMON D3 LITE</u>
No. of Sensors	Up to 150	Up to 150	Up to 20
Sensor Name	Max 25 characters	Max 25 characters	Max 25 characters
Compatible with Intelligent Sensors	Yes	Yes	Yes
Network Capable as Standard	Yes, with HTTPS capability	Yes, with HTTPS capability	Yes
No. Users	20 Max	20 Max	5 Max
Memory	Up to 10 years	Up to 8 years	Up to 3 years
Alarm Emails	Yes	Yes	Yes
Repeat Alarm Emails	Yes (user defined period)	Yes (user defined period)	Yes (user defined period)
Alarm Set Points	Warning & critical points can be added	Warning & critical points can be added	Warning & critical points can be added
Email allows TLS Security	Yes	Yes	Yes
Multiple Alarm Notes per Alarm	Yes	Yes	Yes
Reports	Daily overview & detailed report with graphs in PDF format with alarms & alarm notes	Daily overview & detailed report with graphs in PDF format with alarms & alarm notes	Daily overview & detailed report with graphs in PDF format with alarms & alarm notes
Graphing Tool	Daily, weekly, monthly or user defined graph period	Daily, weekly, monthly or user defined graph period	Daily, weekly, monthly or user defined graph period
Graphing Tool Output	Pdf creation with max, min & average data per trace. Output to CSV with 1, 5, 15 & 30 minutes sample outputs	Pdf creation with max, min & average data per trace. Output to CSV with 1, 5, 15 & 30 minutes sample outputs	Pdf creation with max, min & average data per trace. Output to CSV with 1, 5, 15 & 30 minutes sample outputs
Searchable Audit History	Yes	Yes	Yes
Base Station Battery Back-Up	12 hours as standard	12 hours as standard	No (external add-on)
Data Back-Up Media	8GB Micro Industrial HD MMC	4GB Micro Industrial HD MMC	4GB Micro Industrial HD MMC
User replacement batteries	Yes, every 5 years	Yes, every 5 years	Yes, every 5 years
